

TRAVEL GRANTS FOR SUPPORTING MSCA-IF APPLICATIONS @UNIMC -

Announcement for expressions of interest

Are you interested in becoming a Marie Curie Fellow and work on your research project? Are you willing to have the University of Macerata (Italy) as your host institution?

The University of Macerata will award to 10 researchers **a travel grant (max Euro 1.000 each) to attend a MSCA – IF Masterclass (held in English by Marie Curie experts)** in Macerata from 25 to 27 May 2020. The training will help you to apply for MSCA Individual Fellowships with the University of Macerata as host institution.

In Macerata you will also have the opportunity to meet your supervisor and the Grant office staff who will coach you during the project elaboration.

Send your application within **31th March 2020**. More information and a list of available potential supervisors are at <http://ricerca.unimc.it/it/finanziamenti/marie-curie-if-2020-unimc-1> (reference: *funding scheme 1*).
